ARRIVALS:

1. Expect ground control instructions for taxiing to FBO
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities. Once released they will be handed back.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform an inspection.
4. Passengers must walk into the FBO building to follow the CIQ processes. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process takes around 15 to 20 minutes depending on the number of operations happening simultaneously at the airport.

DEPARTURES:

1. Once in the FBO Building, crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities to be stamped and authorized for departure.
2. Once Immigration process is over, our staff representatives will take all luggage to Customs for inspection. When ready, all passengers will be able to walk through the metal detector and board the aircraft.
3. The aircraft will be at the departure spot already, no need to tow it anymore.
4. This process will take from 15 to 20 Minutes
